Maximizing Health, Well-being and Safety with

UnitedHealthcare Global's Expatriate Insurance

Seamless, globally integrated program for expatriate members¹

Protect expatriate employees from a broad spectrum of risks by integrating multiple assistance and risk capabilities with comprehensive health care coverage.

Better informed

Better cared for

Better able to do the work they need to do

Our single-source, globally integrated solutions deliver optimized outcomes, safeguarding the health, well-being and safety of expatriate employees, wherever assignments take them.

¹ Integrated programs are provided in addition to the full range of UnitedHealthcare Global Expatriate Insurance benefits and can be selected separately.

Better protected

Avoid incidents and prepare employees for a successful assignment with our range of comprehensive assistance, evacuation, medical coverage and real time intelligence tools.

Global Insurance

- Comprehensive benefit plan options
- Immediate, personalized assistance 24/7 and one dedicated, toll-free, multilingual help line
- Global clinical expertise

World Watch®

- Integrated security intelligence database and comprehensive risk management resource
- Real-time analysis and information on countries and major cities around the globe

Medical Assistance & Evacuation

- Prevention, intervention, and rapid response solutions to support members while on assignments
- Support with outbound communications and provision of on-the-ground support, whenever it is needed
- Worldwide medical and dental referrals
- Emergency medical evacuation and transportation after stabilization
- Repatriation of children
- Transportation to join a hospitalized member

Medical Intelligence Reports

- Detailed health care intelligence by destination
- Recommended and required immunizations
- UnitedHealthcare Global-approved medical facilities
- Medical translation tools, and more

Intelligence Alerts

Real-time, global safety and security intelligence including:

- Event Notification: Notification of a breaking event, via email, text or phone call
- Global Monitoring: Verified incident alert and analysis customized to client locations
- Evacuation Notification: Escalated alerts by location evaluating necessity for evacuation and triggering UnitedHealthcare Global-funded Evacuation programs

Better able to do the work they need to do

Foster a culture of health and productivity with support and services that promote well-being, reduce stress and make life easier for employees while they are away.

Health risk assessment

- Multi-lingual health risk survey identifies individual health risks and supports positive changes
- Tailored solutions to inform, educate and promote a healthy culture

Concierge assistance

- Replacement of lost or stolen travel documents
- Emergency travel arrangements
- Transfer of funds
- Legal referrals
- Language services
- Message transmittals

Online and telephonic wellness tools

- Multiple resources and reports tailored to members' specific needs
- Training solutions to manage stress and enhance resilience
- Self-help programs and health calculators

Extended protection*

Protect your employees from a broader spectrum of safety and security risks with an additional blanket of duty-of-care solutions wherever they go.

Security Evacuation

- Evacuation from a safe departure point to nearest safe haven or directly to member's home country
- Support and advice until evacuation becomes viable or the emergency security situation has passed

Natural Disaster

- Evacuation from a safe departure point to the nearest safe haven or directly to member's home country
- Airline and hotel reservations inclusive of other travel services for members

Travel Security Manager® (TSM)

- Tools for administrators to track and communicate with members around the world
- Tailored search mechanisms to pinpoint travelers' locations, send crucial information based on destination and identify travelers by mode of transportation

* 1. At additional cost for custom and other plans not included in the Global Insurance 2-25 pre-priced plans.
2. Extended protection is included as standard in Global Insurance 2-25 pre-priced plans. Contact your sales representative for details.

The UnitedHealthcare Global Difference

UnitedHealthcare Global is the only single-source provider of health coverage, access to care, assistance, risk, and medical care delivery in the global employee benefits and services market.

Our globally integrated solutions ensure end-to-end oversight, delivering optimized outcomes, enhanced well-being and greater assignment success.

- Intelligently designed Expatriate Insurance capabilities
- Built to work together
- Empowering positive health, safety, and optimized outcomes
- Reducing risks associated with transitioning services between multiple suppliers

80%
**of travelers believe their
organizations have a legal
obligation to protect
them abroad.**
