

Expatriate Insurance

Optimizing health, well-being and productivity

At UnitedHealthcare Global, we serve people through every stage of their life, from their first international assignment to their last. What unites us is our mission: to help people live healthier lives and to help make the health system work better for everyone. That's why we are dedicated to supporting better health and creating an optimal experience using data, technology and human expertise to make global health care and security more valuable to each organization, to each individual.

Uniquely designed to support healthier and safer journeys, we create holistic and coordinated international benefit solutions for multinational companies to help increase assignment success rates and protect the health and well-being of expatriates. The result? High-quality cost-effective care with reduced complications, to help decrease expatriate anxiety and increase assignment success.

THE UNITEDHEALTHCARE GLOBAL DIFFERENCE

Wherever your people go, UnitedHealthcare Global is there to provide certainty in an uncertain world. Our single-source, globally-integrated solutions enable us to deliver optimized outcomes that have a measurable impact on your business and your workforce.

Single-Source Solutions

Get all your global employee health care needs from one company.

WHICH ARE

Globally-Integrated

Intelligently designed capabilities are coordinated across the care continuum, strengthened by governance of global operational processes and clinical protocols.

ENABLING

Optimized Outcomes

Measurable results can improve health outcomes, support operational efficiencies and increase company productivity and profitability.

Better Experience

- Our expertise across the entire health care and security spectrum, combined with our ability to offer comprehensive benefits, means we manage your insurance, assistance and risk mitigation programs, as well as Duty of Care obligations, without the added complexity of third-party suppliers.

Better Care

- Expatriates and their families need immediate, real-time health and wellness solutions that are easy to access and customized to meet their individual needs. From proactive wellness planning tools, online services and one-on-one chronic and complex-condition case management, our coordinated care strategies are designed to help identify and treat health risks before they become larger, more costly issues.

Better Value

- Managing claims and payments can be time and resource draining. Our core services are managed in-house, which means we help reduce your administrative burden. Our integrated administration platform means accurate payments and a simplified claim process from a single operating platform.

Expatriate Insurance Plans

Your choice of both standard and additional options that include comprehensive medical, dental, vision coverage and assistance services supported by a broad set of in-house capabilities designed to optimize well-being and enable high levels of individual and organizational success.

- International In- and Out-of-Network Medical Coverage
- Vision Coverage
- Dental Coverage
- Prescription Drugs Coverage
- Life, Accidental Death & Dismemberment (AD&D)
- Long-Term Disability (LTD)
- Medical Assistance and Evacuation
